How We Help

Consultations Connect with an expert on a specific topic, business, or industry for a call or an in-person meeting.

Surveys Create B2B panels built from the world’s largest and most varied source of first-hand expertise.

Events Offer real-time engagements, from roundtables and teleconferences that respond to shifts in market dynamics to custom workshops and focus groups.

Projects Deliver strategic recommendations informed by real-world expertise. For each engagement, we put together tailored teams of top-tier consultants and subject-matter experts with experience across industries and disciplines.

Placements Bring C-suite professionals to you, so you can quickly get your team up to speed.

GLG Social Impact delivers the power of GLG’s knowledge marketplace to the social sector.

GLG Institute is a community of senior executives accelerating success through shared insight.

Compliance

GLG’s industry-leading compliance framework helps clients get the insight they need in a structured, audit-able, and transparent way, consistent with their own internal compliance obligations and the highest professional standards. GLG’s compliance program and systems are major competitive differentiators and a core component of the company’s culture.
